Are you a student who had a gap of four years or more in your formal education before coming to PSU? If so, please consider participating in a quick 10-minute survey to help the Library better understand the research needs of returning students. The survey results will help the Library better serve students like you. Prizes for participation include a Kindle Fire tablet, a \$100 iTunes gift card, and two \$75 PSU Bookstore gift cards.

This survey is being conducted by Meredith Farkas, Emily Ford, and Molly Blalock-Koral of the Portland State University Library.
